[signed AnchorQEA Aspect BremertonGasWorksSite Work Plan \(06-27-13\) complete.pdf](#)

Final work plan-you had reviewed draft. I am thinking that once data is in from this sampling event site should transfer to you but I would like to hear your thoughts on this.

Subject: Bremerton Gasworks sampling July 8-9, 2013

We now have things lined up to sample the beach and the slope at the Bremerton Gasworks site next Monday and Tuesday. I am attaching the sampling and work plan for your reference. We hope to have data back in early August. Please email or give me a call if you have any questions.
